The type of information St Joseph's Primary School Merriwa collects and hold includes (but is not limited to) personal information, including health and other sensitive information, about:

- Pupils and parents and/or carers and guardians (Parents) before, during and after the course of a pupil's enrolment at St Joseph's Primary School Merriwa; e.g. at the time of enrolment or when enrolment details change
- Job applicants, staff members, volunteers and contractors; and
- Other people who come into contact with St Joseph's Primary School Merriwa.

Personal information you provide: St Joseph's Primary School Merriwa will generally collect personal information held about an individual by way of forms filled out by Parents or pupils, face-to-face meetings and interviews, emails and telephone calls. On occasions people other than Parents and pupils provide personal information.

Personal information provided by other people: In some circumstances St Joseph's Primary School Merriwa may be provided with personal information about an individual from a third party; for example, a report provided by a medical professional or a reference from another school.

Exception in relation to employee records: Under the *Privacy Act* and *Health Records and Information Privacy Act 2002* (NSW), the Australian Privacy Principles and Health Privacy Principles do not apply to an

employee record. As a result, this Privacy Policy does not apply to St Joseph's Primary School Merriwa treatment of an employee record, where the treatment is directly related to a current or former employment relationship between the St Joseph's Primary School Merriwa and employee.

3.3. How will St Joseph's Primary School Merriwa use the personal information you provide?

St Joseph's Primary School Merriwa will use personal information it collects from you for the primary purpose of collection, and for such other secondary purposes that are related to the primary purpose of collection and reasonably expected, or to which you have consented.

Pupils and Parents: In relation to personal information of pupils and Parents, the primary purpose of collection is to enable **St Joseph's Primary School Merriwa** to provide schooling for the pupil. This includes satisfying the needs of Parents, the needs of the pupil and the needs of the CSO and St Joseph's Primary School Merriwa throughout the whole period the pupil is enrolled at the school.

The purposes for which **St Joseph's Primary School Merriwa** will use personal information of pupils and Parents include:

- keeping Parents informed about matters related to their child's schooling, through correspondence, newsletters and magazines;
- day-to-day administration;
- looking after pupils' educational, social, spiritual and medical wellbeing;
- seeking donations and marketing for the school; and
- satisfying the CSO and **St Joseph's Primary School Merriwa's** legal obligations and allowing the school to discharge its duty of care.

In some cases where **St Joseph's Primary School Merriwa** requests personal information about a pupil or Parent, if the information requested is not obtained, **St Joseph's Primary School Merriwa** may not be able to enrol or continue the enrolment of the pupil or permit the pupil to take part in a particular activity.

Job applicants, staff members and contractors: In relation to personal information of job applicants, staff members and contractors, **St Joseph's Primary School Merriwa** primary purpose of collection is to assess and (if successful) to engage the applicant, staff member or contractor, as the case may be.

- seeking funds and marketing for the school; and

- to satisfy the CSO and the **St Joseph's Primary School Merriwa**'s legal obligations, for example, in relation to child protection legislation.

Volunteers: Personal information about volunteers who assist the school in its functions or conduct associated activities, such as [alumni associations], to enable **St Joseph's Primary School Merriwa** and the volunteers to work together.

Marketing and fundraising: **St Joseph's Primary School Merriwa** treat marketing and seeking donations for the future growth and development of the school as an important part of ensuring that **St Joseph's Primary School Merriwa** continues to be a quality learning environment in which both pupils and staff thrive. Personal information held by a school may be disclosed to an organisation that assists in the school's fundraising, for example, the school's Foundation or alumni organisation.

Parents, staff, contractors and other members of the wider school community may from time to time receive fundraising information. School publications, like newsletters and magazines, which include personal information, may be used for marketing purposes.

Exception in relation to related schools: The Privacy Act allows St Joseph's Primary School Merriwa, being legally related to each of the other schools conducted by the CSO, to share personal (but not sensitive) information with other schools conducted by the CSO. Other CSO schools may then only use this personal information for the purpose for which it was originally collected by the CSO. This allows schools to transfer information between them, for example, when a pupil transfers from one CSO school to another.

3.6 Management and security of personal information

Staff members are required to respect the confidentiality of personal information and the privacy of individuals.

Each workplace has in place steps to protect the personal information it holds from misuse, interference and loss, unauthorised access, modification or disclosure by use of various methods including locked storage of paper records and password access rights to computerised records.

3.7 Access and correction of personal information

Under the Commonwealth *Privacy Act* and *Health Records Act*, an individual has the right to obtain access to any personal information which the CSO or a school holds about them and to advise the CSO or **St Joseph's Primary School Merriwa** of any perceived inaccuracy. There are some exceptions to this right set out in the Act. Pupils will generally be able to access and update their personal information through their Parents, but older pupils may seek access and correction themselves.

There are some exceptions to these rights set out in the applicable legislation.

To make a request to access or update any personal information the CSO or St Joseph's Primary School Merriwa holds about you or your child, please contact the CSO or the school in writing.

The CSO or **St Joseph's Primary School Merriwa** may require you to verify your identity and specify what information you require. **St Joseph's Primary School Merriwa** may charge a fee to cover the cost of verifying your application and locating, retrieving, reviewing and copying any material requested. If we cannot provide you with access to that information, we will provide you with written notice explaining the reasons for refusal.

3.8 Consent and rights of access to the personal information of pupils

St Joseph's Primary School Merriwa respects every Parent's right to make decisions concerning their child's education.

Generally, a school will refer any requests for consent and notices in relation to the personal information of a pupil to the pupil's Parents. **St Joseph's Primary School Merriwa** will treat consent given by Parents as consent given on behalf of the pupil, and notice to Parents will act as notice given to the pupil.

As mentioned above, parents may seek access to personal information held by **St Joseph's Primary School Merriwa** or the CSO about them or their child by contacting the school's Principal. However, there will be occasions when access is denied. Such occasions would include where release of the information would have an unreasonable impact on the privacy of others, or where the release may result in a breach of the school's duty of care to the pupil.

St Joseph's Primary School Merriwa may, at its discretion, on the request of a pupil grant that pupil access to information held by the school about them, or allow a pupil to give or withhold consent to the use of their personal information, independently of their Parents. This would normally be done only when the maturity of the pupil and/or the pupil's personal circumstances so warranted.
